NOTE:

1.The particulars given above are intended merely to help the tenders to form their own idea of the approximate quantum of work involved in this contract. The tendres must acquaint themselves fully with the size and location of godowns vis-a-vis loading/unloading points. They are warned not to rely only on the particulars given above. The undersigned reserves the right to change the source and destination

points, on expediency. The successful tenderers shall be bound to execute all works as required under the terms of contract and shall not be entitled to make any claim whatsoever against the Government of Assam or the Principal Secretary, KAAC, Diphu for compensation, revision of rates or otherwise on the basis of particulars referred to above.

2.A.Object of the Contract.

The Contractor shall render all or any of the services described or contained in the tender documents, as and when necessary, as directed from time to time by the Government of Assam/Principal Secretary of , KAAC or an Officer acting on his behalf, together with such additional, ancillary and incidental duties, services and operations as may be instructed by Principal Secretary of the KAAC, or an Officer acting on his behalf, and as are not inconsistent with terms and conditions of this contract.

B. Brief description of Work:

The tenderers must get themselves fully acquainted with the size and location of the godowns vis-a-vis loading/unloading points before submission of the tender, and rates quoted by them for loading into/unloading from trucks shall be deemed to have been done after such acquaintance. Once the tender is submitted by a party, he shall be deemed to have been fully acquainted with the size and location of godowns vis-à-vis loading/unloading points and he shall not be entitled to any compensation arising out of any discrepancy in the size and location of godowns/group of godowns found later on, or on the ground that the workers employed by him are demanding higher rates of wages, or load involved in certain operation(s) is more, or the bags to be handled are heavier. Whatever necessary, to facilitate location of the vehicle/vehicles at any time during transit, and to ensure that there is no diversion from the given route, while moving from the source point to specified destinations, installation of GIS/GPS equipment at the contractors cost as per specifications of the Principal Secretary of Karbi Anglong Autonomous Council shall be done at the cost of the transporter selected.

The services required to be performed under the contract have been categorized in two parts viz.

Part-I -Receipt of food grains from Food Storage Depots of Food Corporation of India and dispatches/deliveries to the godowns of Wholesale Consumer Co-operative Societies and LAMPS.

Part-II - Receipts of food grains from the godowns of Wholesale Consumer Co-operative Stores and LAMPS and dispatches/deliveries to the place of business/godowns of Fair Price Shops within the jurisdiction of the respective Wholesale consumer Co-operative Stores and LAMPS.

Tenderers are required to quote rates for all the services covered by the two parts shown in the PRICE BID(Schedule of rates).

C.VOLUME OF WORK:-

No definite volume of work to be performed, can be guaranteed during the currency of the contract. However, some items of general information are given in **Para-I(Places of Operation)** to the tender. The particulars given in the **Para-I above** are intended merely to give the tenderers an idea of approximate quantum of work, so as to help in making their own assessment for quoting the rate in accordance with the conditions of the contract. It should be clearly understood that no guarantee is given that all the items of work as shown in the Annexure to tender will be required to be performed. The contract, if any, which may arise from the tender shall be governed by the terms and conditions of contract as contained in the invitation/general information intended for the tenderer.

Note:-The rate of transport of food grains etc in the schedules shall be subject to the following items and conditions.

1.The rate for transport of food grains etc. is on the basis of net weight of food grains.

2.No separate remuneration will be payable for part of gunnies as the remuneration thereof shall be deemed to be included in the rates for transport of net weight of food grains.

3.The transport charges are payable for the distance covered by loaded trucks/food grains laden vehicle and not for distance covered on return journey to place of loading or back to garage. The payment on net weight basis as envisaged in the note above, applies to handling operations also.

4.No compensation shall be admissible to the contractors in respect of the detention of trucks/any other vehicle at FCI/WCCS/LAMPS/FP shop godown or any other loading unloading points or any other places, unless such detention is of extra ordinary kind and the decision of the Principal Secretary, KAAC, Diphu on all such claims shall be final both as regards the admissibility of and the amount, if any, by way of compensation.

5.No compensation shall be admissible to the contractors on account of non-availability of work sufficient to engage the number of trucks/carts or any other vehicle/labour specified in any programme issue by the Principal Secretary, Karbi Anglong Autonomous Council or an officer acting on his behalf.

6.The weight of bags of food grains etc loaded/unloaded in to/from trucks/carts or any other vehicle shall be worked out on the basis of cent percent weightment, if the bags are non-standardized and on a check of weightment of percentage of bags not exceeding 10 % if the bags are standardized before being loaded/unloaded. The representative of contractor/bidder/tenderer shall be present at the time of checking of weights at the loading/unloading points.
